2015 Jazz Cabernet Rose

The Jazz Cabernet Rosé is perfectly suited to the Australian lifestyle. They are refreshing...just right for a pick-me-up, and are an extremely versatile wine with food matching all manner of dishes with ease.

A clear, bright ruby red in the glass the Jazz shows fragrant aromas and flavours of blackcurrant and red cherry with delightful higher tones of strawberry and raspberry giving lift and perfume.

Try it with grilled shellfish, tapas, spicy foods and matured cheese.
